

Are you desirous of Radha Krishna's enjoyment or are you serving your own limited pleasure potency. Only through the reflection of Radharani's potency can we actually enjoy. On our own what power of enjoyment do we have?

“For man has closed himself up, till he sees all things thro' narrow chinks of his cavern.”

William Blake - The Marriage of Heaven & Hell

Radha Krishna Yugala are the centre, they are the supreme autocrats. Needs must that they take centre stage; they are the stars of the show! We have had practical experience, in theatre - it is much more fun playing a supporting role than playing the lead. When we accept our position of being a 'supporting role' then our actual enjoyment is awakened.

In the service of Radha Krishna; depending on the purity of our service, our desire for Their enjoyment, then the inestimable pleasure They experience is more or less transparently reflected. As soon as we harbour selfishness then refraction takes place.
